## **Electrical Workers Union Endorses Sanders for Lt. Governor**

STEVENS POINT – International Brotherhood of Electrical Workers Local 388, representing electrical workers throughout Central and Northern Wisconsin, has endorsed Henry Sanders, Jr. for Wisconsin Lieutenant Governor.

"We need a Lieutenant Governor who understands what it's like to work for a living, and has the necessary experience to help create good-paying, family-supporting jobs here in Wisconsin," said IBEW Local 388 Business Manager Dave Northup. "Henry Sanders is the only candidate who has that experience, and we're proud to endorse his candidacy for Lieutenant Governor."

*IBEW Local 388 represents electrical workers in 15 counties throughout Central and Northern Wisconsin.*
